INDEPENDENT CO-EDUCATION

SENIOR SCHOOL

We are *Collegiate*

WELCOME TO *Collegiate*

Why choose Collegiate for your child? We value the benefits of a broad and holistic education. Our students excel academically, but they also recognise that there is much more to life than exam results.

All of our facilities can be found within our 30-acre site, meaning students can seamlessly combine academic studies and sporting, musical and dramatic pursuits.

Our main aim is for students to be happy at school. Happy students will work hard, play hard, and will become the best version of themselves.

Mr Jeremy McCullough
MA (Oxon) Head

BECOME THE BEST VERSION *of yourself*

Your child will fit right in at Collegiate as our students are a wonderfully diverse group. With a range of talents, passions and interests, all pupils are warmly welcomed and challenged across all aspects of their education.

Every year, around half of those in Year 7 will have joined us from our Prep School, whilst we welcome other pupils from lots of different primary schools in Bristol.

INSPIRING *Futures*

Small classes, engaging teaching and inspirational co-curricular experiences combine to shape an education that reaches far beyond the classroom.

A robust academic foundation and a host of co-curricular opportunities ensure that a Collegiate education motivates and inspires each student. Encouraged by the school's motto ***Go and do though likewise***, pupils are also prepared to be valuable members of society, seizing opportunities to enrich the school and wider community.

AIMING HIGH & *reaching new goals*

Our students are exceptionally proud of their school and this is always evident in the team spirit displayed in their sporting endeavours.

We encourage everyone to have their moment to be part of Team Collegiate and, for those who excel in sport, there are many opportunities for developing performance.

With 30 acres of grounds boasting excellent sporting facilities, self-esteem and self-belief grow alongside healthy bodies and minds.

CAPTURE YOUR *creativity*

Your child should have the opportunity to explore their artistic sides and all our students benefit from our exceptional creative spaces. From the dedicated art studios and music technology classroom, to the design technology workshop and fully-equipped theatre, there is something for everyone.

In addition to individual music lessons being taught by our team of specialist peripatetic music teachers, we encourage everyone to get involved in the high-quality stage productions we put on each year.

A Christmas Carol video.

DEVELOP YOUR *passion*

With 21 different events in the House Competition and more than 50 clubs to get involved in each week, the Collegiate experience is designed to allow students to find and develop their passions beyond the classroom.

Our students benefit from an exciting array of opportunities to develop teamwork and leadership skills. From the thrills of being part of the Combined Cadet Force to diving into new experiences with the Duke of Edinburgh Award Scheme, our future leaders are challenged and inspired to acquire real-world skills.

MAKE YOUR MARK *on the world*

Your child will leave us as a confident and ambitious individual, who will take the spirit of Collegiate School with them on their personal journey into the world beyond school.

Our alumni have made their mark on Bristol and across the world, and our thriving alumni community offers networking opportunities and inspiration to the next generation.
